Resolutions

*2022-33 NYS Senate Bill S7602*

Whereas, the Village of Sloan Board acknowledges the importance of parents and donor-conceived persons knowing the medical, educational and criminal felony conviction history of individuals who have donated reproductive tissue to a reproductive tissue bank for the purposes of an artificial insemination or assisted reproductive technology procedure and disseminating this history information to a recipient and donor-conceived person upon request upon request, if any; and,

Whereas, the Village of Sloan Board further acknowledges knowing the medical, educational and criminal felony conviction history of a donor will provide recipients with the necessary information to make informed decisions regarding the process of artificial insemination or assisted reproductive technology procedure and for donor conceived persons to obtain essential medical information, which may reveal any genetic or mental health disorders; and,

Whereas, the Village of Sloan Board finds that reproductive tissue banks, including semen banks, oocyte donation programs and embryo banks have a duty to collect and verify medical, educational and criminal felony conviction history information provided by donors on donors self-reported medical, educational and criminal felony conviction histories and during the donor screening processes and to keep detailed records of such for use by recipients and donor-conceived persons, if any, prior to a procedure and in the future, and Now,

Therefore, Be It Resolved, the Village of Sloan Board fully supports the passage of NYS Senate Bill S7602, sponsored by Senator Patrick M. Gallivan, and supports further efforts to insure both parents and donor conceived persons have access to verified medical, educational and criminal felony conviction histories for all donors.
